

The JM Jazz World Orchestra is a project launched by Jeunesses Musicales International giving the opportunity to young musicians from all around the world to take part in training sessions, workshops and finally in a concert tour as a member of the JM Jazz Orchestra.

This year JM Jazz World is organised together with Jeunesses Musicales Macedonia (JM Macedonia).

The session will begin with rehearsals in Ohrid, Macedonia, followed by a concert/festival tour of South East Europe which will end with a final concert in Groznanj, Croatia.

The project will be under the artistic leadership of Luis Bonilla (USA), a California raised, Costa Rican trombonist, composer and arranger.

The programme is open to musicians between the ages of 18 and 26 playing: Saxophone, trombone, trumpet, horn, tuba, guitar, bass, drums, percussion, piano and vocals.
